## School Wide Upcoming Events

### Valentine's Day Party

Love is in the Air!

On Friday, February 14<sup>th</sup> students will celebrate their Valentine's Day party with friends in their classroom. Please see letter attached.

### National Children Dental Health Month

Let's learn to keep our Teeth Clean!

The month of February is a great opportunity for students to learn healthy habits. With all the Valentine's Day treats this month, our local dentist will be visiting our school.

### 100<sup>th</sup> Day of School

Let's Celebrate 100 Days of School!

Can you believe we have been in school for 100 days?

Our students have learned so much in 100 days and it has been an amazing experience watching them grow. On Friday, February 28<sup>th</sup> we will be celebrating 100 Days of School with lots of fun activities. To make this day memorable, we ask that Preschool and Pre-k students come dress to look 100 Years Old.

Friday, February 7<sup>th</sup>

Friday, February 14<sup>th</sup>

Monday, February 17<sup>th</sup>

Friday, February 29<sup>th</sup>

# I Know Where I'm Going Because I Know What I'm Learning

## Hello Infant Parents!

The month of February is going to be so much fun for our infants! The baby sign this month is “hug.” To sign hug, make each hand into a fist and cross your arms over one another.

During this month, we have a few different activities planned for our infants. A Musical Containers activity that includes making shakers by filling empty cardboard containers with beans and letting infants hear the sounds they make. Our Sensory Ball Pit activity will give infants the opportunity to fill a plastic container with balls and play with them. And lastly, we will be doing a sensory board, where infants feel the different textures. There are plenty more activities that we will be doing with our infants throughout the month of February!

Don't forget, the school is closed February 17<sup>th</sup>, 2020. Friday, February 7<sup>th</sup> is National Wear Red Day so make sure to dress your infant in something red.

Have a great February!

## Hello Toddler Parents!

We are very excited to bring in the month of February to you! Just a friendly reminder, the school is closed Monday, February 17<sup>th</sup>, 2020 for President's Day.

During this month, we will be celebrating National Wear Red Day so make sure to dress your toddler in something red.

In addition, our toddlers will also be working on building their vocabulary, counting numbers 1-3, doing multi-sensory art activities, as well as sharing with their friends.

The word for this month is “Love.” To sign I love you, put up your thumb, index finger and pinkie finger, while keeping your ring finger and your middle finger down. Hold the hand out, palm facing away from you and move it back and forth slightly.

As a reminder, our class Valentine's Day Party is on Friday, February 14<sup>th</sup>. Please see letter attached.

We can't wait to start this new month with our toddlers!

## Hello 2yr old Parents!

Welcome to February! This month our students will be focusing on some new and old skills. We will be reviewing skills such as pointing to and naming common colors, listening to three-minute stories with pictures and verbalizing wants and needs. We will practice these skills along with some new skills such as understanding the number concept of 5, understanding big and little and learning to express ourselves. We will practice these skills by doing various activities which include reading many new books, comparing big and small objects, participating in counting activities, reading a book on emotions and then practice making sad, happy and mad faces. These are just a few of the examples of some fun learning activities we will be doing to help our students master their skills for this month.

As a friendly reminder, school will be closed on Monday, February 17<sup>th</sup>, 2020 for President's Day. Finally, we will be celebrating our class Valentine's Day Party on Friday, February 14<sup>th</sup>. Please see letter attached, and don't forget to dress your child in something red for National Red Day!

## Hello Preschool and Pre-K Parents!

This month students will have the opportunity to learn about the season of winter, polar animals, friendship, and healthy habits. The letters for this month includes P, G, L and V. Students will also learn to recognize and spell the color Red and Pink, and become familiar with sight words.

As we prepare for our Parent and Teacher Conference, teachers will be observing students' progress in all developmental domains including their fine and gross motor skills. Many of our students are in the developing/in progress stage, and we are striving to master those skills to prepare them for the next classroom.

As a reminder, our class Valentine's Day Party is on Friday, February 14<sup>th</sup>. Please see letter attached.

We are looking forward to another fun filled learning month!

# OTHER IMPORTANT NEWS & INFORMATION

## Inclement Weather

Dear Parents,

The weather conditions in our area can change in a short period of time. One day we may be enjoying nice weather conditions and suddenly we are faced with snow or rain the next day. One thing that does not change is our commitment to keeping our students and staff safe.

As we enter a very active season that could bring the possibility of inclement weather conditions, we would like to remind our parents that all information will be posted on Brightwheels and our School's Website to update parents on delay in opening, closing and mid-day closing.

## Happy Birthday to You

February is the month with the least amount of days  
Although it is the shortest month,  
It's special in so many ways!  
We celebrate the ones we love  
And send them a bouquet  
With lots of heart shaped candy  
But when it's not Valentine's Day, it's my Special Day!  
  
Happy Birthday!
